

## Lane Closure Notification – Salado Creek Bike Trail Ph I

This notice is to inform you that the City of Patterson’s Engineering Services Department has authorized Sinclair General Engineering Construction, Inc. to implement temporary lane closures at the intersection of Sperry Avenue and American Eagle Avenue to facilitate the demolition and construction activities of the undercrossing beneath the existing bridge structure in associated with the **Salado Creek Bike Trail Phase I Project**.

The closures are necessary to ensure the safety of construction personnel and the public. Traffic control signs and message boards will be in place to help direct traffic flow. Access to residences and businesses will be maintained at all times, and emergency vehicles responding to calls will be prioritized through the construction zone.

The lane closure will take place from **Monday, January 26, 2026 - March 2026**

### **Location of Lane Closures:**

- Inside eastbound lane on Sperry Avenue between Walker Ranch Parkway and American Eagle Avenue
- Inside westbound lane on Sperry Avenue between American Eagle Avenue and Walker Ranch Parkway
- Temporary traffic control measures within the intersection of Sperry Avenue and American Eagle Avenue

We understand that the construction activities in the area will affect traffic flow, especially during peak hours, and appreciate your patience and cooperation as we work to complete the improvements in a safe and efficient manner. The traffic control plan is attached for your reference. If you have any questions or concerns regarding these closures, please contact Kumar Somasundaram with the City of Patterson at (209) 895-8077.

Thank you for your understanding,  
City of Patterson
